PRIVATE CHARTERS

VISTA STAR AND VISTA QUEEN

The Vista Star and Vista Queen are available for private charters and groups from early May through mid October.

- In season departures will be according to our scheduled departure times. We will try to work with groups who wish to privately charter a vessel and some variances in departure times may be granted, but will be at the Vista Fleet's discretion.
- Regular scheduled cruises; both vessels provide the same tour and route beginning in the Harbor, entering Lake Superior under the Aerial Lift Bridge with permitting lake conditions, and continuing up the St. Louis River. Privately chartered vessels have ability to request adapted cruises and routes based on rental time, lake conditions, water depths, etc. If the captain determines that Lake Superior is too rough to enter, the entire cruise will be in the Harbor and on the St. Louis River.
- Our preferred caterers; Duluth Grill and Grandma's Restaurants are among the finest in the Northland, providing full-service catering on board our vessels. Each offers a unique style and presentation of their listed menus. We strongly recommend working directly with our caterers if you desire a customized menu for your event. Our preferred caterers also provide rental services of linens, china and flatware, napkins, and service staff. Food service gratuities, service charges and taxes will be additional and determined by the caterers.
- Public and regular scheduled cruises; Vista Fleet reserves the right to sell any remaining tickets to the general public and/or privately charter the other deck.
- Rates quoted do not include any food, beverages (alcoholic or non-alcoholic) and other enhancements.

INFORMATION & POLICIES

VISTA STAR AND VISTA QUEEN

Charters and Group Booking Guarantees

Charters and group bookings may only be guaranteed with a 50% deposit and signed contract. Deposits are non-transferable and non-refundable. Remaining balances are due 2 days prior to your cruise date.

We require an approximate number of guests upon booking your event. You are responsible to provide a minimum guarantee 2 weeks prior to your event. Final guest counts are due 2 days prior to your cruise with final payment. If a final guarantee is not received on time, we will prepare for the estimated number noted on your contract.

Food Service

Our preferred caterers; Duluth Grill and Grandma's Restaurants are among the finest in the Northland, providing full-service catering on board our vessels. Each offers a unique style and presentation of their listed menus. We strongly recommend working directly with our caterers if you desire a customized menu for your event. Our preferred caterers also provide rental services of linens, china and flatware, napkins, and service staff. Food service gratuities, service charges and taxes will be additional and determined by the caterers.

For a nominal fee discussed with your Vista Fleet Sales Coordinator, you may bring on board a caterer of your choice. However, Vista Fleet will take care of all your beverage needs. No food or beverage, with the exception of wedding/birthday cake, pretzels and mixed nuts, may be brought on board without the prior authorization of the Vista Fleet. Minnesota State Health Department regulations and the Vista Fleet prohibit any food product left over to be taken off the premises.

In case of inclement weather, Vista Fleet vessels are climate controlled and enclosed. Should a severe weather condition develop, and the Captain determines that conditions mandate that the cruise be canceled; a full or partial refund of your charter rental will be issued based on the circumstances. Food service contracts must be dealt directly with the caterer.

Beverage and Bar Service

Vista Fleet will provide any and all beverage services. No outside beverages or liquor may be brought on board due to licensing. We offer a full bar, house wine and select beers. Coca-Cola products are also provided. Chartering parties may choose a Cash, Host, Partial Host, or Token Bar; a credit card on file is required and the balance of the bar plus 15% gratuity and liquor tax will be charged to the credit card on file immediately after the cruise.

Parking

The Vista Fleet does not have its own parking lot. We suggest parking in the DECC parking lot. The entrance for the lot is approximately 200 yards north of the Vista Fleet on Harbor Drive. There is a \$5/day fee to park at the DECC.
